

## **Organizational Partnership Planning Worksheet**

What is one short-term (6 month - 1 year) or longer-term (3 - 5 year) goal for your organization in relation to Tribal Partnerships?

How will you engage in “reciprocal not transactional” relationship building?

What is the process you engage in (or will engage in) to make sure it integrates Tribal partner’s goals?

What resources (financial, material, personal, partnerships) do you already have that can support reaching this goal?

What resources might you need to support reaching this goal?

What personal work might you engage in to support reaching this goal?

What would you like to learn before engaging in this work?
